RE: THE LANGTON JOURNEY – PROGRESSION INTO YEAR 12

Dear Parents/Guardians

As your child approaches the end of their GCSE studies, we aim to continue to work in partnership with you to help your child choose the right A Level courses so that they will fulfil their potential, achieve their goals and pursue their passions.

To that end, I am writing to update you about three important events in the near future.

1. **The Sixth Form Open Evening takes place between 5:30pm and 8:00pm on Thursday 26th January.** As well as showcasing our state-of-the-art facilities, our innovative Langton Extended Curriculum and our excellent University and Careers provision, this will also be an opportunity to talk to staff and students in all subject areas as well as our Sixth Form pastoral team. There will be two Headteacher Talks at 5.45pm and 6.45 pm.
2. **The Sixth Form Taster Day on Friday 3rd February** when your child will have the opportunity to sample a range of A Level subjects to help them to finalise their choices for Sixth Form study. Your child will choose which taster lessons to attend during a tutorial within the next few weeks.
3. **A meeting with a member of the Senior Leadership Team between Monday 6th February and Friday 10th February** to discuss the choices that your child should be considering in planning for their future success. The A Level consultations give students and parents/guardians the opportunity to discuss the course options available, ask questions about our award-winning Langton Extended Curriculum and gain an insight into life in the Simon Langton Grammar Sixth Form. The consultations will be 20 minutes long and will take place on School Cloud – the same online platform used for parents' evenings. The bookings for this will open on **Thursday 19th January at 6.00pm** and will close on **Wednesday 25th January at midday**. You will need to book an appointment with one member of staff only at a time that is convenient. Further information regarding this will be sent out separately later this week.

I look forward to seeing you on Thursday 26th January. Please do not hesitate to contact me by email if you have any further queries kcfleming@langton.kent.sch.uk.

Yours faithfully,

K. Cameron-Fleming
