March 2023

Dear Parents/Guardians,

Re: Duke of Edinburgh Bronze Award Practice Expedition 22nd-23rd March 2023

Further to my letter to you last week, we have fully considered the current forecast and the likely weather conditions for our expedition. The forecast is currently reading a low of 9 degrees overnight which is within the acceptable temperature range and, given that the campsite is set within a woodland area, the wind is also not a prohibiting factor. I am pleased to advise you therefore that we are going ahead with the expedition as originally planned. It does look as though there will be rain, so please ensure that students have appropriate kit to cope with the wet weather.

Our aim is to leave site by 9am on Wednesday, and students are expected to return to school by approximately 3 pm on Thursday. They will be able to leave site once they have checked in with either Dr Cavey, Mrs Pennells, or me. Parents are not able to park on site to drop off or pick up their child as these are busy school times but are welcome to walk on site to meet their child on Thursday. There is parking at the Park and Ride.

Yours faithfully

Mr D Hatfield

DofE Bronze Award Manager
