September 2022

Dear parents/guardians,

RE: GCSE ART PACK

The Art Department is encouraging GCSE Art students to buy their own art pack. Whilst the art pack is not compulsory and alternative arrangements can be made where necessary, the materials listed will enable students to create high quality work in a range of media throughout the two year course. Abacus Resources are putting together the art packs this year at a special reduced rate. These can be ordered via ParentPay by 2nd December 2022.

Students will also require an A4 hardback sketchbook for the course which will be provided by the school free of charge.

If you have any queries regarding the art packs or would like any other information, please do not hesitate to contact me sburke@langton.kent.sch.uk.

Kind regards,

Sharon Burke
Subject Lead Art
