May 2023

Dear Parents/ Guardians,

### **Re: Visit for Year 9 Geography GCSE students to The Natural History Museum Tuesday 6<sup>th</sup> June 2023**

As part of your child's GCSE Geography studies, we have organised an exciting trip to the Natural History Museum in London.

This will allow students to view exhibits covering many aspects of their current and future studies in the curriculum. The main focus of the day will be the Geological Museum and its Earth Science and Tectonic exhibits, but students will also be able to access other displays including the solar system, evolution and human biology.

The overall cost of the visit is £18. Payment should be made via Parentpay and consent given by **Wednesday 24<sup>th</sup> May**. To make the most of our day, students will need to be at school by 07.45 to enable the coach to depart by 08.00. We expect to return at around 18:00, dependent on traffic.

The visit will only take place if sufficient funds are collected. For families who have difficulty meeting this payment deadline, please contact the Finance Office, in confidence, via email to [finance@langton.kent.sch.uk](mailto:finance@langton.kent.sch.uk) as soon as possible and by **Monday 22<sup>nd</sup> May** at the latest.

Students should wear school uniform. They should bring a packed lunch and sufficient drinks for the day with them. There will also be an opportunity for students to visit the café and gift shop and so can bring no more than £5 with them should they wish to do so. Please do not hesitate to contact me by email [lbadrick@langton.kent.sch.uk](mailto:lbadrick@langton.kent.sch.uk) if you require any further clarification at this stage.

Yours faithfully,

Mrs L Badrick

Teacher of Geography
