Dear Parent/Guardian(s)

RE: YEAR 10 EXAMINATIONS

Year 10 examinations will take place between Monday 17th April and Friday 28th April at the start of Term 5. The full Year 10 examination timetable can be found [here](#). A paper copy will also be distributed to Year 10 in tutor time.

All students complete a 'normal' school day: 8:45am – 3:25pm. When they are not sitting an examination, they should attend their usual timetabled lessons where there will be an opportunity to complete further revision. Therefore, it is important that your child packs revision materials alongside the correct equipment that they will need for every examination.

The Year 10 examinations are an excellent opportunity to practise working in timed exam conditions ahead of next year's GCSEs, as well as assessing the students' progress at this midway point in their GCSE studies. We are aware, however, that this will be the first time that they will have undertaken examinations in this formal setting. As a result, all Year 10 students are provided with a programme of tutorials and assemblies which cover study skills, revision plans and strategies to cope with stress and ways in which to alleviate workload and focus on wellbeing. Any homework set over the last two weeks of Term 4 or over Easter will be revision for the examinations. Please feel free to contact me if you have any questions:
